

CHECKOUT COUNTERS

IMPROVED SERVICE EFFICIENCY – QUICKER PAYMENTS

The payment zone is the last point of contact between the Customer and the store. It is the last chance for sales in the impulse zone, and the last opportunity to reinforce a store's modern and friendly image. For the complete comfort of your Customers, VVN presents a new line of checkout counters to facilitate queue service and speed up shopping payments.

DUAL-FUNCTION CHECKOUT START

Four LCD screens on top of the shelf provide additional space for communication with customers and driving purchases in the impulse zone

Aluminium frame with a scratch-resistant coating

Conveyor belt and a wide goods basket with a total length of 3.8 m, **adjustable for wheelchair accessibility**

Modular design enabling swapping checkout sides

A central module with an **integrated DFM table**
and a Spinakerr head supporting two modes
of operation: cashier and self-service

LED indicators
of checkout status

Automatic gate slides
out from underneath
the storage area

DUAL-FUNCTION CHECKOUT ACTIVE

Cash payment device built in
under the storage area

LED indicators of
checkout status

A central module with an integrated
DFM table and a Spinakerr
head supporting **two modes of
operation: cashier and self-service**

A compact checkout **dedicated to small retail spaces**

SELF-CHECKOUT GO

Shopping convenience
– an intuitive and
simple interface

**State-of-the-art
design** – perfect
for stores with
a strong focus
on aesthetics
and elegance

**A guarantee of fast shopping
and less queueing**

SELF-CHECKOUT GO BUILT-IN

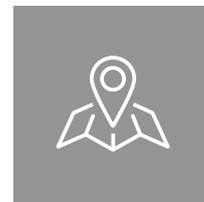

We do not stick to any one format; we give our customers a choice. The GO checkout box is also available as a built-in fixture. This way, its innovative design **can be combined with any furniture**, easily blending in with retail space.

VVN is a manufacturer of top-class solutions for store and stockroom space management. We offer furniture and fittings for all kinds of retail outlets, along with installation and maintenance services. Other **VVN** companies specialise in modern technologies, lighting fixtures and automation for shops. We operate in an innovative, comprehensive way, in the belief that

FUTURE DOESN'T WAIT IN LINE!
